

Fees and Scholarship Eligibility Guidelines 2020-2021

Jamestown's highest priority is to provide evidence based, high quality programming to all members of our community. Consistent with the SF Unified School District's policy of Afterschool for All, Jamestown has instituted a fee structure based on a family's ability to pay. We strive to provide the highest quality program for the lowest cost to all families.

Scholarships are offered to families who qualify for free or reduced lunch through SFUSD OR whose income falls into our scholarship income levels. Must Provide Annual Proof of Income Verification or annual Free/Reduced Lunch SFUSD letter! Number of slots for scholarship awards are limited.

All families requesting scholarships MUST provide ANNUAL income verification and students MUST meet minimum attendance requirements (85% minimum) to continue receiving scholarships from year to year. Failure to provide income verification and meeting minimum attendance will place the student application on automatic WAITLIST.

Annual Application Fees & Tuition Fees

Application Fees: There is a \$25 non-refundable application fee for all families applying to our School Year programs. (One fee per family.) There is a \$20 non-refundable application fee for Summer Programs. We offer a \$40 combo non-refundable application fee for registrations for summer and school year at the same time!

Tuition Fees: The monthly fees reflect the annual price divided into 10 equal installments to be paid on a monthly basis during the school year. Monthly payments will not be pro-rated nor refundable during the school year. Cancellations must be made 30 days in advanced.
